Queen Steel Knives are made and styled for the independent Retail Hardware Store in the town or small city. Queen makes it possible for the independent Retail Hardware Store to buy all of their needed requirements from one source at the lowest direct factory prices.

Queen Steel Knives are of interest to Hardware Store Owners because Queen Steel knives will not rust and will not stain and will stay sharp far longer than other knives. The Store Owner no longer has to worry about his stock of knives remaining in good condition. That's why Queen is growing the fastest in popularity in the quality field of knives.

Prompt delivery and courteous efficient service coupled with the very finest quality products at the most reasonable prices make up the balance of the winning combination and tell you why more Store Owners are featuring Queen than ever before in the history of our Company.

We supply this case with display panel fully mounted to our Dealers on orders for ½ dozen of stock on each pattern for 80 or more patterns.

The patterns mounted on the display panel are taken from the stock ordered.

If desired we will place a marking button under each pattern identifying the pattern number and showing the Dealer's retail resale price.

This case should be mounted with all the patterns you carry in stock.

Display Cases Double Your Sales

Queen Steel

No. 78 Hunting & Combat Knife — This is the finest big game hunting knife in the world. Made of Queen Steel. Will not rust or stain and because of our secret tempering process, it will stay sharp far longer than other knives. Solid one-piece construction so that the handle won't disengage from the knife. Solid brass guard and the handle is made from the finest imported India Stag. Made in perfect proportion which insures perfect balance. Double sabre grind and note that both sides of the blade has sharp cutting edges which is important when skinning large game. Patterned after the original Bowie knife. Made of the very finest materials and with the most expert labor of our skilled master cutlerers. The sheath is made of the finest top grain cowhide embossed with hand white lacing and a protective filler so the blade won't cut the lacing. Individually boxed. 7-inch blade, cutting edge 6-inches, knife is 11 ½-inches overall in length.

Queen Steel

No. 73 Hunting Knife — Genuine Frontier Bone stag barehead handle with 4-inch flat ground blade. Made of Queen Steel. Will not rust or stain and because of our secret tempering process, it will stay sharp far longer than other knives. Complete with leather sheath made of top grain cowhide, saddle stitched with handsomely embossed design. Tremendous value.

No. 74 Hunting Knife — Genuine Frontier Bone stag handle with 3 5/8-inch flat ground blade. Made of Queen Steel. Will not rust or stain and because of our secret tempering process, it will stay sharp far longer than other knives. Complete with leather sheath made of top grain cowhide, saddle stitched with handsomely embossed design. One of our best selling hunting knives.

Queen Steel

No. 76 Fishing Knife — Genuine Formica Handle with 4 inch blade. Scaler on back of blade. Made of Queen Steel. Will not rust or stain and because of our secret tempering process will stay sharp far longer than other knives. Complete with leather sheath made of top grain cowhide, saddle stitched with handsomely embossed design. Best selling sheath fishing knife.

No. 77 Hunting Knife — Genuine Frontier Bone stag handle. 5 inch large wide scimitar blade, 9 1/2 inches overall. Made of Queen Steel. Will not rust or stain and because of our secret tempering process, will stay sharp far longer than other knives. Complete in leather sheath made of top grain cowhide, saddle stitched with handsomely embossed design. The hunting knife for big game. One of our best selling hunting knives.

One large clip blade $2\frac{3}{4}$ -inches long with $2\frac{1}{2}$ -inch cutting edge. One pen blade $1\frac{3}{4}$ -inches long with $1\frac{1}{2}$ -inch cutting edge. The knife is $3\frac{1}{2}$ inches overall when closed.

No. 58 — Same as above except with Spear point blade instead of Clip blade. (See No. 18 for an illustration of Spear point blade.)

Queen Steel

No. 60 One Blade Barlow Knife — Genuine Frontier Bone stag handle. Made of Queen Steel. Will not rust or stain and because of our secret tempering process, it will stay sharp far longer than other knives. One large clip blade 2½-inches long with 2¼-inch cutting edge.

No. 60-SH — Same as above except with Sheep-foot blade instead of Clip blade.

No. 61 — Stockman's Pattern — Three Blade Serpentine medium size stockman's knife. Genuine Frontier bone stag handle. Made of Queen Steel. Will not rust or stain and because of our secret tempering process, it will stay sharp far longer than other knives. Nickel silver double bolsters, brass linings. Clip blade 2¾ inches long with 2⅜-inch cutting edge, sheep's foot blade 1-13/16 inches long with 1⅝-inch cutting edge, Spey blade 1⅝ inches long, 3⅝ inches overall when closed.

All Queen Pocket Knives have their individual pattern number etched on the blade. A very helpful service for the dealer.

No. 62 Easy Opener Pattern — Genuine Frontier bone stag handle. Made of Queen Steel. Will not rust or stain and because of our secret tempering process, it will stay sharp far longer than other knives. Double nickel silver bolsters. Brass linings. One large spey blade, cutting edge 4 inches long. 5 ¼ inches overall when closed. Designed for skinning and castrating. Glazed finish on blades.

No. 63 Serpentine Pattern — Two blade jack knife. Genuine Frontier bone stag handle. Made of Queen Steel. Will not rust or stain and because of our secret tempering process, it will stay sharp far longer than other knives. Double nickel silver bolsters. Brass linings. One long clip blade 2 ¾ inches long, one pen blade 1 ¾ inches long. Overall length when closed 4 inches.

No. 232—7-inch Solid Steel Pinking Shear — Queen Pinking Shears are a delicately adjusted precision instrument, designed by cutlery craftsmen, to give the utmost satisfaction and wear. Great care has been given to assure easy, effortless performance and durability, and Queen Pinking Shears will pink a wider variety of fabrics than other pinking shears.

No. 233 — 8-inch Solid Steel Pinking Shear — same as above except 8 inches in length.
