Schatt & Morgan

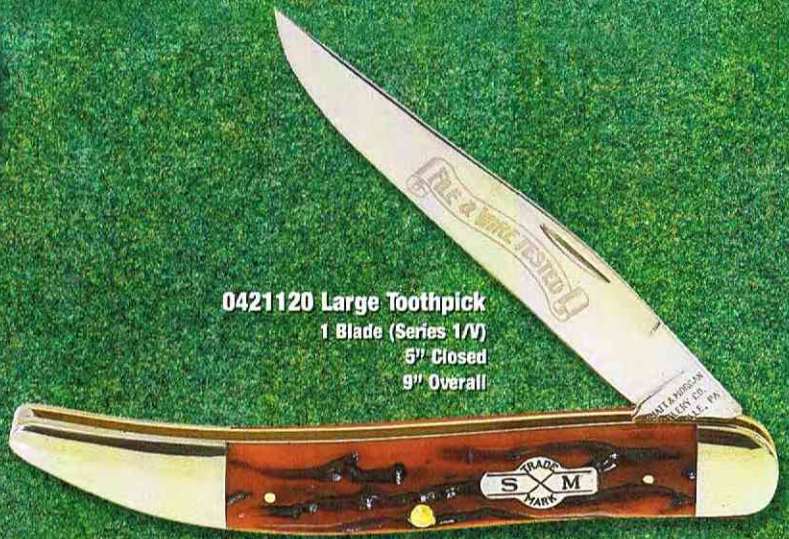

*Superlative Craftsmanship
Unsurpassed Quality*

SELECT • File & Wire Series •

This preeminent series of elegant "old school" classics embodies the very best in American craftsmanship and superb SCHATT & MORGAN styling. For the discriminating user and collector, there is *no* better choice than SCHATT & MORGAN "SELECT"! The "File & Wire Tested" mark was employed over 60 years ago to insure the hardness of a blade by cutting it with a new file and then testing the edge by cutting a wire of known consistency and hardness. Quantities are limited!

Argentinean cattle ranges. The bone is carved by hand to resemble the rich textures and patterns of the finest Indian Sambar Stag. No two patterns will ever be exactly alike; each piece is dyed to a rich dark exterior and creamy interior . . . and meticulous attention to detail is then given during assembly to insure preservation of the carved pattern.
