

Queen's SALUTE

TO KENTUCKY

COMMEMORATIVE LIMITED EDITION

Kentucky, rich in history and tradition, will not have a year as significant as 1974 for many decades to come. Two hundred years ago James Herrod established the first permanent settlement, near what is now Herrodsburg. Today, the Queen Cutlery Company presents this beautiful pair of knives in an attractive and permanent display and storage case.

This is a limited production commemorative of 10,000 sets. Queen's Kentucky dealers will get the first opportunity to purchase the greater part of them. However, two weeks after this is mailed the sets will be available to all Queen dealers throughout the country.

Each knife has a serial number from 00001 to 10,000. The serial numbers are imprinted near

the top of the brass liner of the pile side of the knife so they can be read from the mark side. The two knives have matching serial numbers. The red handles are the color of Kentucky's State Bird, the Cardinal.

The cover of the mark side of each knife has a nickel-silver embossed shield shaped like the map of Kentucky. The master blade of each knife has a distinctive etch. The 4-inch knife commemorates the Kentucky Bicentennial, the 2 $\frac{3}{4}$ -inch knife the 100th running of the Derby on May 4, 1974.

Collectors will rush to get this unusual commemorative and the net cost of \$15.00 per set will enable you to easily get at least \$30.00 retail. Don't forget, order today to assure you get a supply before the offer is over subscribed. Better put one or more sets away for yourself, too, as only 10,000 sets will be made.
